Historisches Werkzeug : Verleih und Anleitung 165 Muster

Mein Angebot richtet sich an Restauratoren, Malermeister und ambitionierte Hausbesitzer. Sie können Musterwalzen und den dazu benötigten Rollkasten bei mir persönlich ausleihen. Versand ist die Ausnahme. Die Leihgebühr beträgt für ein Profi-Rollgerät mit passender Walze 45.- € für zwei Wochen. Eine einzelne Walze 20.- €.

Bei Interesse gebe ich eine praktische Einführung auf ihrer Baustelle.

Im Katalog finden sie auch Fotografien mit Anwendungsbeispielen. Die dazugehörige Walzen finden sich jeweils auf der vorangegangene Seite.

Das abgedruckte Muster ist ca. 13,5 cm breit. Die Abbildungen zeigen ca. 1,5 Musterbreite.

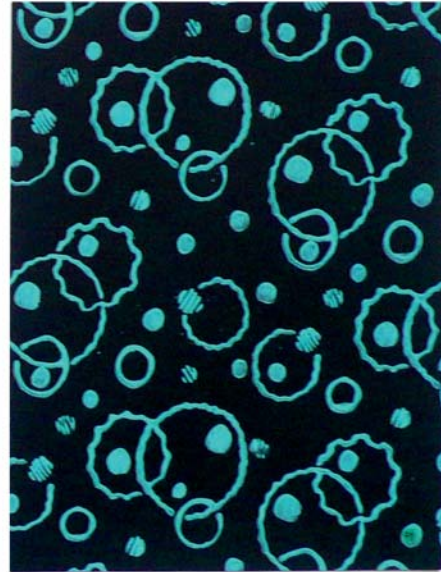

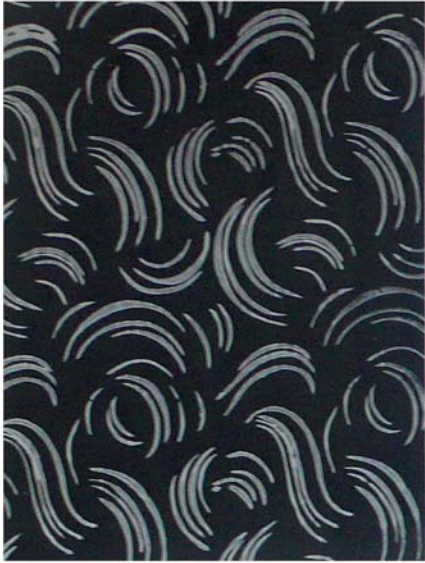

Einige Walzen, Walzapparate, Pigmente und Zubehör aus Malernachlässen können auch gekauft werden. Die in meinem Rollstempelarchiv gesammelten 1200 Walzen werden nur in Außnahmefällen und zu gesonderten Konditionen verliehen.
